Investor Presentation July 2024

Forward-Looking Statements. This presentation may contain forward-looking statements within the meaning of the federal securities laws. Forward-looking statements expressing management's current expectations, forecasts of future events or long-term goals may be based upon beliefs, expectations and assumptions of the Company's management, and are generally identifiable by the use of words such as "believe," "expect," "anticipate," "plan," "intend," "estimate," "may," "will," "would," "could," "should" or other similar expressions. All statements in this presentation speak only as of the date they are made, and the Company undertakes no obligation to update any statement. A number of factors, many of which are beyond the ability of the Company to control or predict, could cause actual results to differ materially from those in its forward-looking statements including changes in interest rates and other general economic, business and political conditions, the impact of inflation, increased deposit volatility and potential regulatory developments. These risks and uncertainties should be considered in evaluating forward-looking statements, and undue reliance should not be placed on such statements. Additional information concerning the Company and its businesses, including additional factors that could materially affect the Company's financial results, are included in the Company's filings with the Securities and Exchange Commission.

Use of Non-GAAP Financial Measures. This presentation may contain certain financial information determined by methods other than in accordance with accounting principles generally accepted in the United States ("GAAP"). These non-GAAP financial measures include "Adjusted Earnings," "Adjusted Earnings Available to Common Shareholders," "Adjusted Diluted Earnings Per Common Share," "Adjusted Return on Average Assets," "Adjusted Return on Average Shareholders' Equity," "Adjusted Return on Average Tangible Common Equity," "Adjusted Pre-Tax, Pre-Provision Return on Average Assets," "Efficiency Ratio," "Tangible Common Equity to Tangible Assets," "Tangible Book Value Per Share," "Tangible Book Value Per Share excluding Accumulated Other Comprehensive Income," and "Return on Average Tangible Common Equity." The Company believes that these non-GAAP financial measures provide both management and investors a more complete understanding of the Company's funding profile and profitability. These non-GAAP financial measures are supplemental and are not a substitute for any analysis based on GAAP financial measures. Not all companies use the same calculation of these measures; therefore this presentation may not be comparable to other similarly titled measures as presented by other companies. Reconciliations of these non-GAAP measures are provided in the Appendix section of this presentation.

Business and Corporate Strategy

We are a community bank focused on developing deep customer relationships and building strong communities.

2023

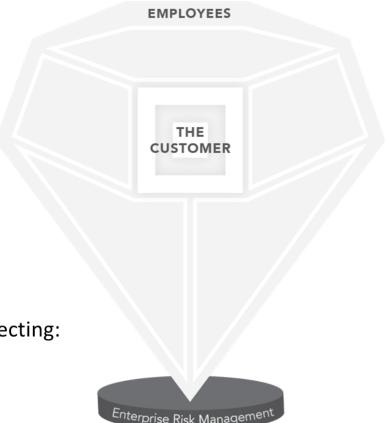

We re-evaluated our strategic plan to ensure we are:

- continuing to meet the future expectations of our customers and communities and
- meeting the changing expectations of financial service providers.

THE RESULT

The creation of five key strategic elements, connecting:

- our central focus on our customer's needs
- our employees' contributions, and
- our foundation of strong risk management.

Business and Corporate Strategy

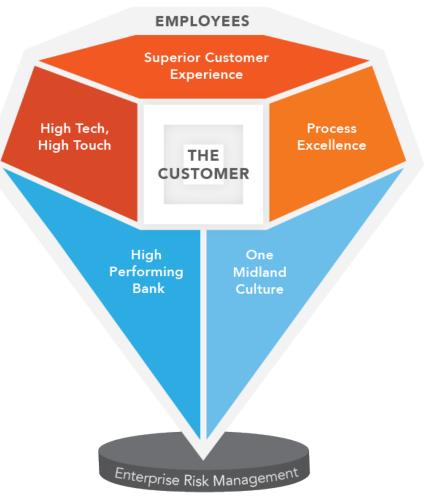

We are a community bank focused on developing deep customer relationships and building strong communities.

OUR MISSION

Providing a superior experience to enrich our customer's financial journey

OUR VISION

We are one bank, committed to cohesive teamwork that prioritizes team success over individual gains.

Business and Corporate Strategy

MSBI's Five Strategic Elements

Superior Customer Experience

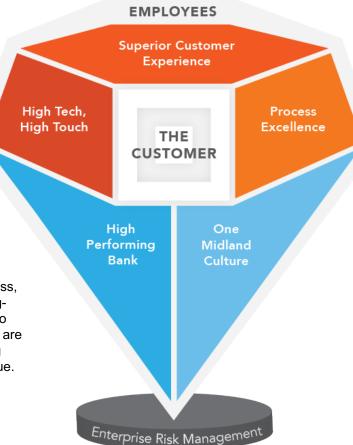

We value the customer in everything we do, and we find satisfaction in knowing our contributions make a difference.

High-Tech, High-Touch

We blend cutting-edge technology with genuine personal connections, ensuring a seamless experience across all channels for all our customers.

Loan Portfolio and Asset Quality

Commercial Loans and Leases by Industry

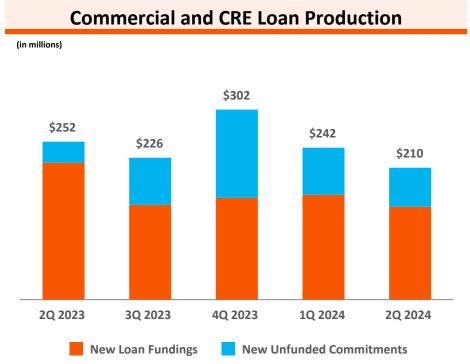

Commercial Real Estate Portfolio by Collateral Type

Commercial Loan Growth

More conservative approach to new loan production in light of economic uncertainty has impacted production levels since mid-2022

- New hires and an increase in productivity of the commercial banking group without increasing the size of the business development team
- Addition of expertise in specialty finance and SBA lending
- Increased exposure to higher growth markets in Northern Illinois and St. Louis
- Successfully moving up market and working with larger clients that have greater financing needs
- Effectively leveraging technology investments, including the Salesforce platform, to improve win rate and expand relationships with clients
- New commercial loan production to be funded by planned reduction in consumer portfolio

Plan with GreenSky to Wind Down Portfolio

- Notice provided to officially terminate the GreenSky program in October 2023
- Reduced loan originations
- Projected portfolio reduction to \$424 million by EOY 2024
- Decrease in portfolio to improve liquidity and capital
- Escrow deposits
 - Escrow deposits absorb losses in excess of cash flow waterfall
 - Escrow account totaled \$21.9 million at 6/30/24 or 4.1% of the portfolio

LendingPoint Loan Portfolio Overview

Portfolio Characteristics (as of June 30, 2024)

Total Outstanding	\$114.2 million (2.0% of total loans)
Weighted Average Rate	5.45%
Number of Active Loans	8,988
Average Loan Size	\$12,703
Average FICO Score	739
Reserves in ACL	\$14.6 million

Projected LendingPoint Balances

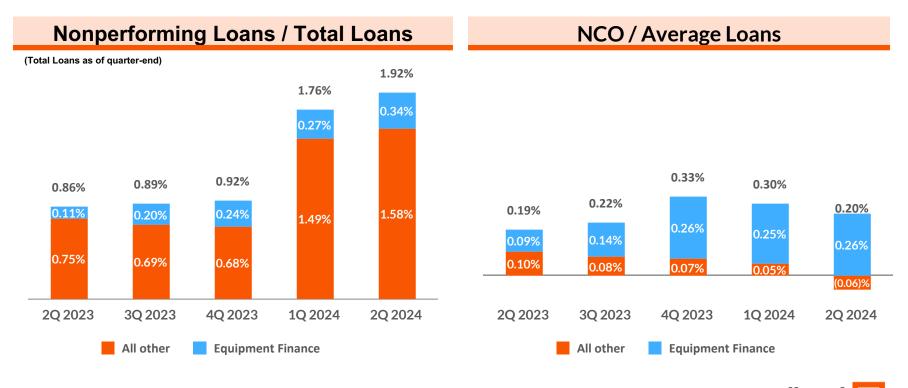

Plan with LendingPoint to Wind Down Portfolio

- Notice provided to stop new originations in the LendingPoint program in Oct. 2023
- Projected portfolio reduction to \$80 million by EOY 2024
- Declining credit quality and servicing issues creating shortage in cash flow waterfall and escrows
- Reserves in ACL for \$14.6 million as of June 30, 2024
- Expected charge-off's in coming quarters with this portfolio

Asset Quality

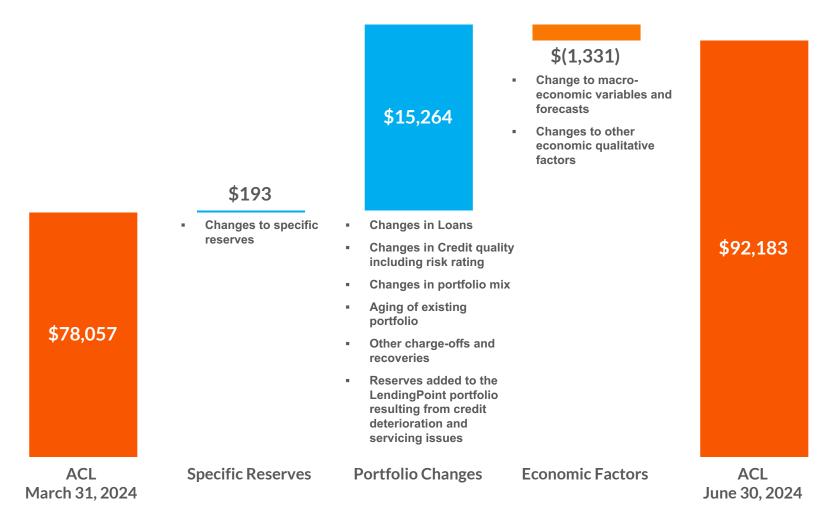

- Nonperforming loans increased due to equipment financing loans and one \$3.5 million commercial loan placed on non-accrual
- Past due loans and substandard loans declined during the second quarter
- Net charge-offs to average loans was 0.20% primarily driven by equipment finance with provision for credit losses on loans of \$17.0 million, primarily related to reserves added to the LendingPoint portfolio resulting from credit deterioration and servicing issues
- Net charge offs include \$2.2 million recovery on previously charged off CRE loan

Wealth Management

- Assets under administration increased \$212 million mainly due to new accounts
- New accounts include commercial customers moving funds of approximately \$88 million to Wealth for higher rate and other options
- Wealth Management fees decreased from prior quarter due to seasonal impact of tax planning fees in 1Q24
- New technology launched in 2Q24 that integrates Wealth Management data into mobile banking app that is expected to positively impact cross-selling to community bank clients
- Continual hiring of wealth advisors positively impacting new business development

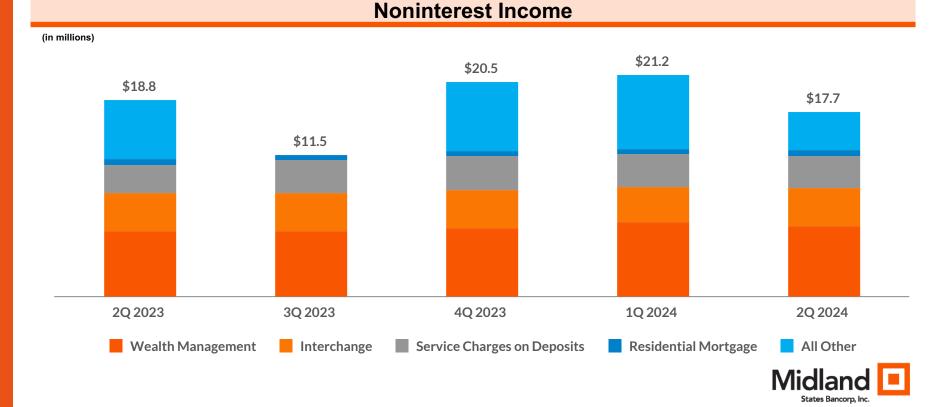

Noninterest Income

- Noninterest income decreased from prior quarter primarily due to 1Q24 incremental servicing • revenues of \$3.7 million related to the Greensky portfolio
- 2Q24 noninterest income included a \$0.2 million gain on the repurchase of subordinated debt, offset ٠ by \$0.2 million of losses on the sale of investment securities
- Other income negatively impacted by losses on sale of repossessed and other equipment of \$0.6 • million in the current quarter

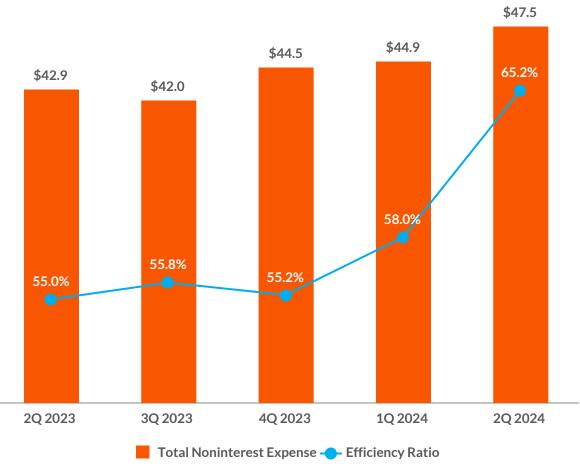

Fee income expected to be \$18.0 - \$18.5 million in the near-term guarters

Noninterest Expense and Operating Efficiency

Noninterest Expense and Efficiency Ratio⁽¹⁾

(Noninterest expense in millions)

Efficiency Ratio ⁽¹⁾ was 65.2% in 2Q 2024 vs. 58.0% in 1Q 2024

- Increase in noninterest expense from prior quarter primarily attributable to \$4.1 million related to OREO expense and various legal actions
- Compensation and benefits decreased \$1.2 million compared to prior quarter due to reduced incentive compensation accruals
- Near-term operating expense runrate expected to be approximately \$45.5 - \$46.5 million

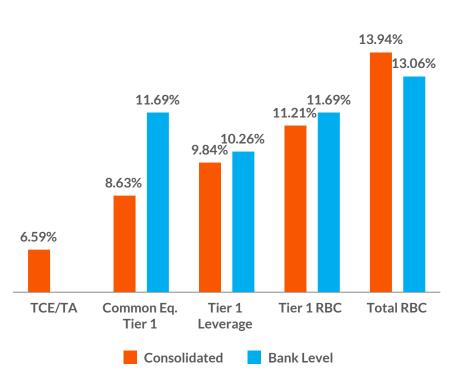

Capital Ratios and Strategy

Capital Strategy

- Capital initiatives increased CET1 to 8.63% from 7.77% at December 31, 2022 with limited buybacks below TBV
- Internal capital generated from strong profitability and slower balance sheet growth expected to raise TCE ratio to 7.00%-7.75% by the end of 2024
- Capital actions and strong profitability expected to enable MSBI to raise capital ratios while maintaining current dividend payout

Capital Ratios

(as of June 30, 2024)

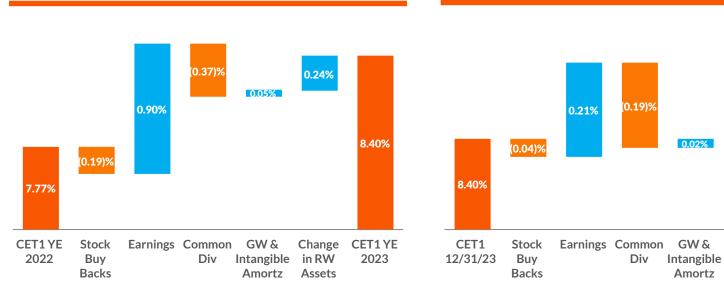

Building Capital

- CET1 Increased 23 bps to 8.63% from 4Q23 despite credit headwinds
- Balance sheet and capital strategy reduced risk weighted assets \$204 million from 4Q23
- Support organic growth needs of new and existing core relationships
- Opportunistic share repurchases at or below TBV and continuing 23-year track record of increasing the dividend on an annual basis while continuing to improve capital
- Targeted CET1 ratio of 9.00% to 9.25% by end of 2024

Outlook

2024 Outlook and Priorities

- Well positioned with increased levels of capital, liquidity, and reserves
- Prudent risk management will remain top priority while economic uncertainty remains with business development efforts focused on adding new commercial and retail deposit relationships throughout our markets
- Capitalizing on market disruption resulting from M&A to add new clients and banking talent
- Strong financial performance and prudent balance sheet management should lead to further increases in capital ratios
- Loan pipeline remains steady and new loan production within the community bank will continue to partially offset the runoff from the GreenSky portfolio and continued intentional reduction of the equipment finance portfolio
- Neutral interest rate sensitivity positions Midland well for managing future changes in interest rates
- Maintain disciplined expense management while also investing in areas that will enhance the longterm value of the franchise
 - * Improvements in technology platform and additional advisors positively impacting business development in Wealth Management
 - * Expanded presence in higher growth St. Louis market including the addition of a new market president resulting in new commercial, retail and wealth management clients
 - * Banking-as-a-Service initiative expected to start making a contribution to deposit gathering and fee income during 2024

Long-Term Formula for Enhancing Shareholder Value

APPENDIX

ESG: A Framework for Sustainability

Environmental

Facilities

- We have installed solar power in 22 Midland locations.
- Our corporate headquarters, built in 2011, is LEED (Silver) Certified.
- We have made more than \$50 million of credit available for residential and commercial solar projects since 2011.

Paper Reduction

• More than 50% of our customers use paperless statements and we have had a paper elimination program in place since 2010.

Social

Community Impact

- We have been serving families and businesses since 1881, offering products and services based on the needs of our customers.
- We work with more than 200 community organizations to ensure we address the needs of each of our markets in the areas of lending, investments, philanthropy, products, community engagement, and inclusion.
- The Midland Institute CEO program, a unique year-long program designed to teach entrepreneurship to high school students, was created in 2010. As of 2023, 70 programs serving 330 schools utilize this powerful program for energizing tomorrow's business leaders.

Culture and People

- Since 2008, Midland has provided all employees with personal and professional development training.
- Midland's Advanced Study for Talent Enrichment and Resource Training (MASTERS) program serves to develop future leaders of the Company. To date 68% of participants have been women or minority employees.
- In April 2020, Midland established the Diversity & Inclusion Council. This council, now known as the Council of Belonging, continues to actively contribute to our Company culture, reinforcing our commitment to diversity, inclusion and belonging for all employees.
- Midland offers employees paid time off to contribute their time and talents to recognized charities, causes, or not-for-profit community organizations.

Philanthropy

 Since its creation in 2011, the Midland States Bank Foundation has contributed more than \$1.8 million to non-profit organizations throughout Midland's footprint. The Foundation seeks to align contributions with Midland's Community Impact focus: education, work force development, financial empowerment, housing, small business development and health & wellness. Priority is given to programs or organizations that focus on low- to moderate-income populations.

Financial Education

- In 2023, we provided over 600 volunteer hours specific to financial empowerment seminars in our communities.
- Since 2015 we have held more than 450 financial literacy seminars benefiting low to moderate income or minority neighborhoods in our footprint.

CRA, Community Development and Financial Inclusion

- Through our Believable Banking[®] Residential Mortgage and Home Improvement programs we have made \$123.5 million of loans to families underserved by traditional loan programs.
- Our banking products and services are offered through our personal bankers, online with materials clearly describing the features, costs and alternatives available, and by dual-language materials in our branches and our ADA compliant website.

Governance

Reputation and Ethics

- Midland States Bank was one of the first in the nation to have a woman on its board (1903).
- Our board includes female, Hispanic and African American representation and has since before becoming a publicly traded company in 2016.
- Our Code of Business Conduct and Ethics is available at investors.midlandsb.com.

Oversight of Strategy and Risk

- The Company's Chair and CEO roles have been separate since the Company's inception (1988).
- All directors, except our CEO, are "independent" pursuant to applicable SEC/ NASDAQ rules.
- Our board of directors has established a Risk and Compliance Committee to
 oversee all aspects of risk and compliance management across our enterprise.
- Consistent with COSO's 2017 Enterprise-Wide Risk Management (ERM) Framework, our ERM program employs business process risk ownership and the "three lines of defense" model.

Data Security

• We utilize data security programs and a privacy policy under which we do not sell or share customer information with nonaffiliated entities.

Executive Compensation

- Our executive compensation, including all performance related compensation, is evaluated annually by Risk Management to ensure consistency with Federal Reserve Safety and Soundness requirements, and the Interagency Guidance on Sound Incentive Compensation Policies issued jointly by the federal regulatory agencies.
- All cash and equity incentive programs for executive officers include performance metrics and/or four-year vesting periods.
